About Shinawatra University

Shinawatra University (SIU) in Thailand is a well-known university established by former Thai Prime Minister Thaksin Shinawatra with the approval of the Thai Ministry of Education in 1999. As an outstanding political leader and advocate for education in Thailand, Thaksin Shinawatra is committed to building SIU into Asia's top international chemical hub.

The school has two campuses, both located in Bangkok, the capital of Thailand. The Shuo Bo Campus is located in the bustling commercial district of central Bangkok, adjacent to the Thai Army Club, with convenient transportation and complete supporting facilities. The undergraduate campus is located at the main campus of Baton Thani Province in the suburbs of Bangkok, covering an area of over 750 acres. It has modern teaching facilities and a beautiful campus environment, and is known as one of the most beautiful universities in Thailand.

SIU has multiple colleges, offering over 30 professional options including education, management, medicine, nursing, psychology, information resource management, as well as art and design. The teaching team of the school mainly comes from elites and academic leaders in various industries, providing students with rich academic content and practical opportunities.

SIU is based in Asia and has a global perspective. Through close cooperation with over 150 well-known universities worldwide, SIU provides students with rich practical exchange and learning opportunities. We firmly believe that the ultimate mission of education is to cultivate talents with lifelong learning abilities and adapt to the needs of social development, contribute to the progress and development of global society, and will make unremitting efforts to this end.

Welcome to our Conference

The International Conference on Intellectual Property Rights, Research and Development, Awards Ceremony 2026 (ICIPRRDAC-2026) is a premier global event dedicated to advancing knowledge, innovation, and academic excellence across multiple disciplines. The conference will be held on 27 February 2026 at Shinawatra University (SIU), Thailand, and is jointly organized by Shinawatra University (Thailand), St. Peter's Institute of Higher Education and Research (SPIHER), Chennai (India), along with the academic partners RAALTECH Publications and NSKD Techno Research & Innovation Solutions, India.

ICIPRRDAC-2026 brings together leading academicians, researchers, innovators, industry experts, start-up founders, and students from around the world to exchange ideas, present research findings, and explore emerging trends in Intellectual Property Rights (IPR), Research and Development (R&D), Innovation, Technology, Engineering, Computing, Management, and Interdisciplinary Studies.

The conference aims to:

- Promote awareness and understanding of Intellectual Property Rights and their role in research and innovation.
- Provide a platform for presenting high-quality research across various domains
- Facilitate international academic collaboration, MoU partnerships, and knowledge exchange.
- Celebrate outstanding contributions through a prestigious awards ceremony recognizing excellence in research, innovation, and impact.

ICIPRRDAC-2026 will include keynote lectures, technical sessions, panel discussions, awards presentations, and opportunities for networking and academic cooperation. Selected quality papers will be published in ISBN-indexed proceedings with DOI, and exceptional papers will be recommended for Scopus-indexed journals. The conference aspires to create an international ecosystem of collaboration and contribute to global growth in research, innovation, and intellectual property development.
